

September 2011

Dear Parent/ Carer,

KS2 Guitar Tuition

I am delighted to be able to confirm that we can once again offer Guitar Tuition to our KS2 pupils. These classes will be led by Mr. Bannister from the Sefton Music Service and will be held in school on **Mondays between 12.00 to 1.00 p.m.** Limited places are available as there is only a maximum of ten pupils allowed per session.

Guitars will be provided for the lessons in school, however it is important that the children are committed to the lessons and attend regularly.

The cost of the lessons will be £55. This fee will cover all of the weekly sessions throughout the school year. The fee is payable in advance and is not refundable. Cheques can be made payable to Trinity St. Peter's School.

If you wish your child to be considered for the extra curricular guitar lessons, please complete and return the reply slip to school by Thursday 15th September.

Children will be informed if they are allocated a place in one of the groups and lessons will start on Monday 19th September.

Yours sincerely,

M. Dutton
