

18th November 2011

Open Day - Reception

Dear Parents,

We would like to invite you to school for an opportunity to visit the classroom and look at your child's books and Learning Journal to see all the fantastic activities your child experiences whilst in the Foundation Stage.

For organisation purposes please indicate your preferred two time slots on the attached slip and return to school by Friday 25th November. We will confirm your time during week beginning Monday 28th November.

We look forward to seeing you.
