Photographs and Videos taken by Parents / Carers

Although practice varies from school to school, in this instance the Governors have agreed that parents/carers may take photographs or videos of events to which they have been invited, such as Sports Day or a School Assembly or Play. I agree that if, with the permission of the Head teacher/Deputy Head, I take photographs or videos of any school event, I will ensure that these are used for personal and family use only and will not be made available to anyone else. *I understand that any other use may be in breach of the Data Protection Act 1998.*

I understand that if at any point whilst my child is attending this school I change my mind, I need to let school know, in writing, about the changes.

Please return to school as soon as possible. If we do not receive a reply we will assume that you DO NOT give your permission.
