

Trinity St. Peter's Church of England Primary School
Weekly Newsletter - 10.2.12

We can't quite believe the half-term break is already upon us!
Congratulations to all the boys and girls for a fabulous start to 2012! A special thank you to all the parents who attended Parent Teacher Meetings this week. It was lovely to see so many parents beaming as they left school and we are sure your children were equally as proud when you reported back to them. We would also like to thank you for your kind words to staff - they really do mean a lot!

Have a lovely and relaxing week.
See you a week on Monday!

School Council

We would really appreciate it if during the half term break you have a really good clear out and bring in any unwanted toys and books that are still in good condition no later than **Wednesday 22nd February** to support our efforts to buy playground equipment. We have really enjoyed our meetings this half term! Have a lovely break!
TSP School Council Representatives

Community Shield

Our winners this week are Year 1!
For fabulous feedback from school visitors - well done boys and girls! ☺

House of the Week

Congratulations to the boys and girls in 'Matthew'. Well done! ☺

Stars of the Week

Congratulations boys & girls!

Nicholas Androulidakis

Ethan Govan

Scott Nixon

Alison Sweeney

Chloe Saunders

Ellen Horner

Thomas Dempsey

Leanne George sadly passed away on Tuesday. Our thoughts and prayers are with Steve and his family at this sad time.

Internet Safety Week

A special thank you to Rebecca Dobb from Sefton LA who has worked with parents, staff and children on the importance of internet safety. This week Rebecca discussed lots of important things with the children. For example, she discussed with Y1 how to keep safe on line by not giving out personal information. Everyone really enjoyed their sessions and Rebecca commented on the maturity of our children. Well done!

Reception class were wowed this week when Mr. Mather (a genuine scientist!) visited our class and carried out some exciting investigations - invisible ink and disappearing pepper. The children all really enjoyed this experience - Thank you Mr. Mather for making science so much fun!

A very big thank you to all the families who attended St. Peter's 'Education Sunday' service. Congratulations to all the boys and girls who came along to the service and showcased their talents to St. Peter's community. The feedback the children have received from parishioners was overwhelming and they were all very proud of their contribution to such a lovely service. Thank you to Fr. Paul, Mr. Jones and Mrs. Haygarth for organising this.
