

What a week we have had at school! It has been full to the brim with lots of wonderful activities! We even had a school full of pirates, nurses, doctors, firefighters and policemen yesterday! It's been lovely to see how excited and engaged all the children are with their learning. Also, Mrs. Crebbin's innovative lunchtime playground games saw forty children holding hands trying to pass a hula hoop around the circle. Great fun and lots of smiles! We also send our congratulations to Mrs. Walsh and her family on her exciting news! We hope you all have a really lovely weekend.

See you Monday!

School Council

It's been a busy week for us! We (Zack & Chloe) attended a 'Formby Voice' meeting at Freshfield Primary School to discuss ways in which children can have a say in making Formby a better place to live. It was really good to be able to discuss ideas with pupils from other schools too. During our school meeting, we have been busy discussing fundraising ideas and after half term we will be holding a Toy and Book Sale in school. We shall be sending out a letter very soon with more information but maybe you could start to have a rummage through bedrooms and playrooms and make some room for all those fabulous toys off Father Christmas! Thanks for reading! We look forward to hearing your ideas.

'On Wednesday, Year 4 enjoyed a fantastic trip to The Walker Art Gallery in Liverpool. The children studied magnificent paintings from the Tudor period including Henry VIII and Elizabeth I and learnt so much about the appreciation of art. They also shared their own interpretations of the paintings using some very sophisticated artistic language! As always, the children were impeccably behaved and were commended for this by the museum staff. Well done boys and girls.

KS1 have had a busy week! Year 2 had a fantastic time at their pirate day. They enjoyed making pirate hats, treasure hunts, ship building and particularly their book art session with Sophie Bowers from Creative Minds. Year 1 has also been very busy! They loved dressing up in their '999' costumes. The children were also lucky enough to have a visit from the fire service and were able to climb on board a fire engine and ask the fire men lots of questions. Exciting times in Key Stage 1!

Child of the Day!

We all know that children love to hear positive comments about themselves from staff, but they especially love to hear fantastic comments from their classmates. For this reason Foundation Stage and Key Stage 1 have introduced 'Child of the Day'. Every morning a child is chosen at random to be Child of the Day. During the day the child wears a badge to identify themselves to others around school. At the end of the day all pupils in class are given the opportunity to say a positive comment about the Child of the Day which are recorded on a certificate for the child to take home. After hearing lots of lovely comments children are beaming from ear to ear! It really is fantastic to see! When Millie in Reception class was asked how she felt hearing what her friends had to say she replied, "I feel really proud and happy!"

Everyday in KS2 classes there is a 'Secret Student.' The secret is the 'student' does not know if it is them however their teachers are closely monitoring their behaviour and quality of learning. At the end of the day if the child has 'passed,' their name is announced and they add their name on a card which is stuck to a display ladder. Once all the rungs are full, the whole class have earned a treat. However, if a child does not 'pass' then the teacher never announces the name of that child. This incentive scheme is proving to be a real success!

Wine Tasting - Friday 24th February

We need your help!

Are you willing to help set up and tidy up on the day? Or do you have or know of someone who would be able to donate an auction prize? Or perhaps even be a sponsor for the wine? Ideally we need between five and ten sponsors.

If you have any ideas or have answered yes to any of the questions above please do come along to Mrs. Rimmer's Coffee Morning on Friday 3rd February or drop her a quick line. Many thanks to Mrs. Cockbain (Eleanor Y4) and Mrs. Murphy (William Y3) for organising this event with school. More information about the evening to follow.

Please do not park on the yellow zig-zag lines on Paradise Lane. The zig-zag lines are there to ensure your children are safe.

Also, traffic wardens have been spotted giving tickets to all cars found parked on them. You have been warned!

Dates for January
