

Trinity St. Peter's Church of England Primary School

Weekly Newsletter - 30.9.11

The 'Harvest Service' at St. Peter's Church last Friday was really lovely. A special thank you to Mrs. Haygarth for organising this service and of course to the children for their wonderful reading and singing! Children in Nursery and Reception class also had a visit from Father Paul who led a short service for them in school so that they could also understand the importance of 'Harvest'. There was an abundance of gifts of food and donations! We raised £133 for 'The East African Hunger Crisis.' Thank you for your generosity.

Last week, Year 5 visited the World Museum in Liverpool to become archaeologists! They all enjoyed following the Ancient Greece Trail, showing a real enthusiasm for learning. "They were all stars!" said Mrs. Preston. Well done Year 5!
