Weekly Newsletter - 27.1.12

What a wonderful week we have had at Trinity St. Peter's. We began the week with children in KS1 and KS2 classes wearing red to celebrate the beginning of the Chinese New Year and having a day filled with fun activities. Today the Reception class shared their learning with the whole school. It was a fabulous celebration and we were very proud of them all. Children in Year 2 and Year 4 have also been on some very exciting days out with Year 2 visiting Underwater Street and Year 4, Ordsall Hall in Salford.

The children once again were a real credit to our school.

Have a lovely weekend! See you Monday!

## School Council

We are very lucky in our school that everyone is so keen to help others. This week we have been asked to find out which charities children in our school would like to support. We have lots of suggestions to discuss at our next meeting. We will inform you of our decision in next week's newsletter. Many thanks to those of you who have already sent in donations for our Toy and Book Sale! Please keep sending in any unwanted items that are still in good saleable condition to the school office.

Thank you!

TSP School Council Representatives.

# Keep on running!

This week, four of our Year 6 boys represented our school admirably at the Sefton Schools Cross Country Championships. Adam, Thomas, Alex and Harrison ran in the Junior Schools Race, competing with many children from across the region at a very boggy venue in Thornton. Despite the treacherous terrain, the boys ran an exhausting 1200m in very quick times, achieving some fantastic finishes. Both Mr. Deacon and Mrs. Meredith were very impressed with the boys' exertions.

With our Family Running Club beginning next month, we will hopefully soon see many more of our children enjoying athletics activities in the lead up to the London 2012 Olympic and Paralympic Games.

## Book Art

Children in Year 1 and Year 2 have had a fantastic time learning about 'Book Art' with Sophie Bower from Curious Minds over the past few weeks. They have explored lots of different techniques and learnt new skills. All the children have really enjoyed the opportunity to be creative and to work independently on their own projects. Soon children in Year 5 will also spend the day with Sophie and we are all looking forward to seeing their wonderful work too.
