Dear Parents and Carers,

Happy New School Year!

Welcome back! I hope you have all had a lovely summer and are looking forward to the new school year. A very warm welcome also to our new families who we hope already feel very much part of Trinity St. Peter's school family.

It has been lovely to see the children excited to return to school and looking so smart in their winter uniform. Thank you for the time and care you have put in to preparing them for their start to the new school year.

We are also delighted to welcome the following members of staff:

In the first instance, we do recommend this to be the class teacher. However, you may wish to meet with either myself or a member of the school's leadership team:

This week, each class from Reception to Year 6 has explored the film 'Trolls' using our school values to focus upon happiness.

Research has found that happiness doesn't just make people feel good but it also has important benefits:

- Happiness makes us healthier. It strengthens our immune system, which means we are less likely to get ill.
- Happy people have more friends, are more cooperative and are better liked by others
- Happy people are more resilient when things are difficult and stressful.

This year, we will continue to build upon our motto from last year: Choose Kind - as being kind to yourself and to others also improves happiness. As does practising gratitude which we will be further developing with pupils throughout this academic year.

This year, our motto is: Choose Wisely.

We look forward to working in successful partnership with you so that your child can be the very best that they can be.

Wishing you all a lovely and enjoyable weekend.

Yours sincerely,

Mrs D Pringle
