

Today we're going to head off on a cruise along the River Nile all way from **Aswan** to **Alexandria**.

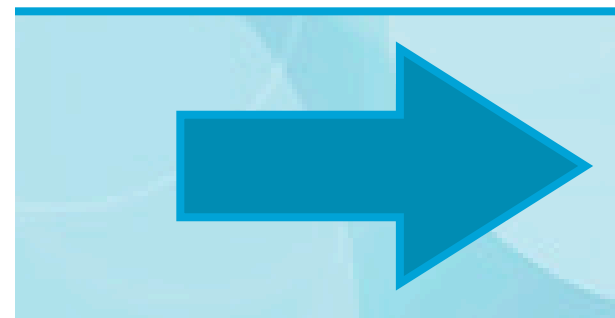

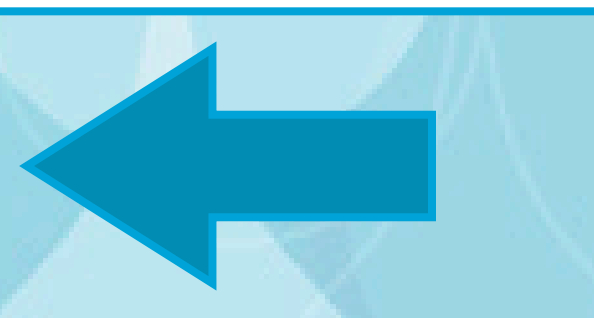

Can you point to these two places on the map?

How close were your
guesses?

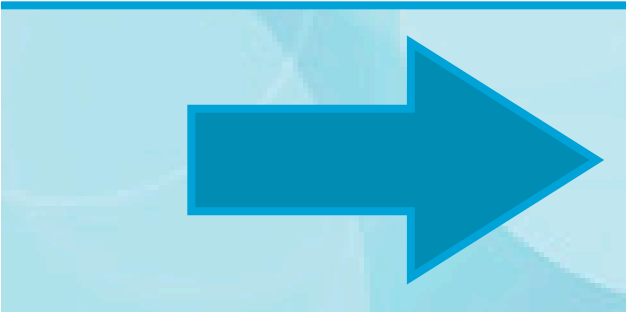

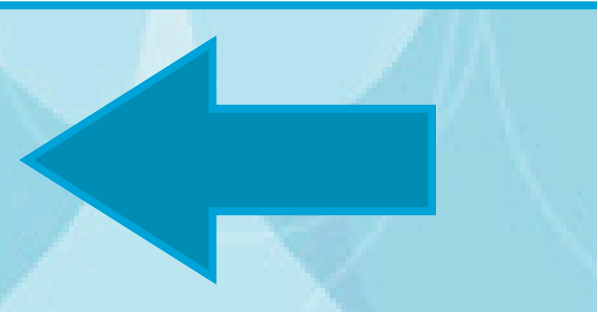

How
did you
know
where
they
were?

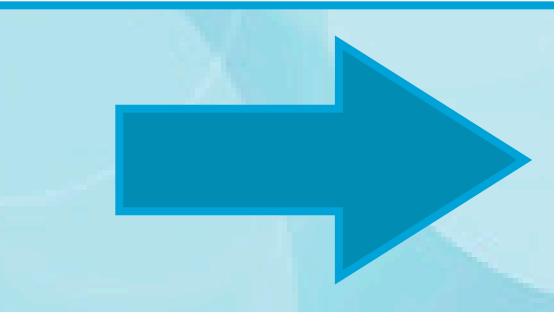

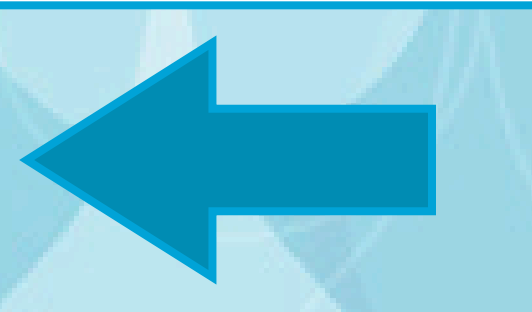

What do you think we might see along the way on our cruise?

Ideas:

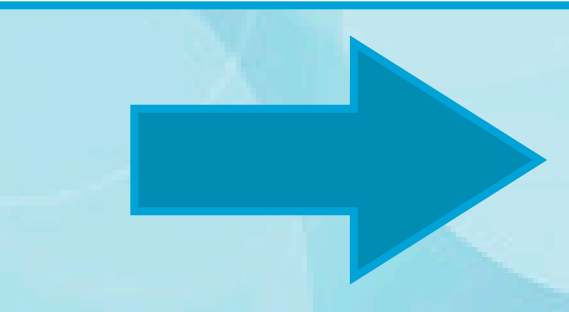

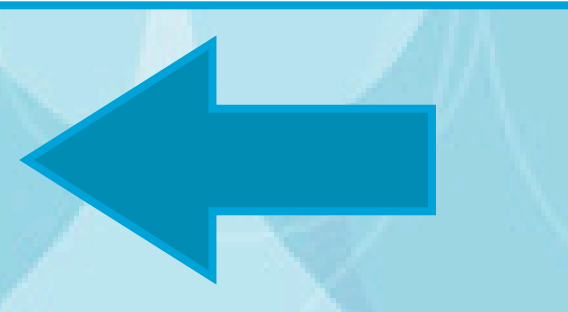

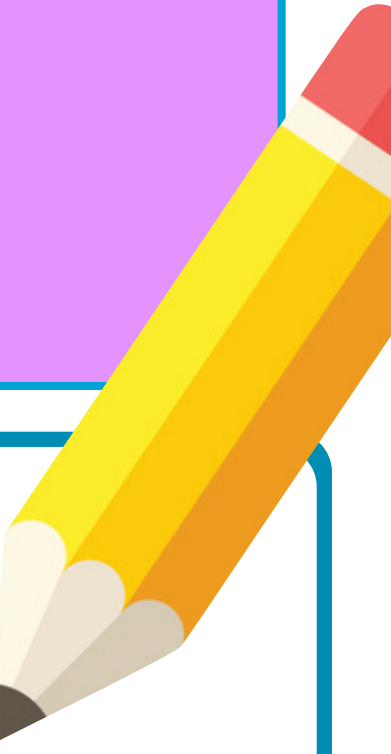

What do you think the weather will be like?

Ideas:

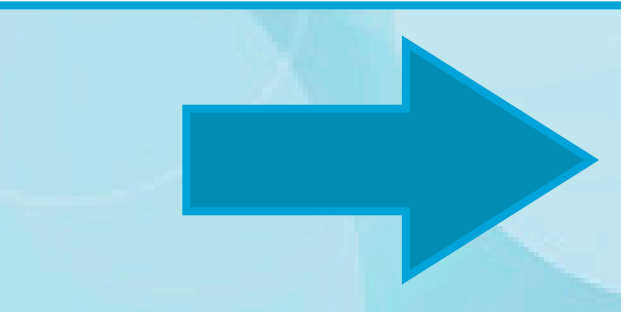

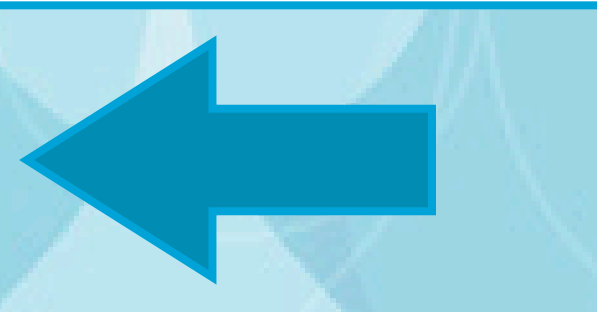

What animals might we see along the way?
