

Dear Year 1,

It felt so good to be able to return to my old job of delivering my favourite stories to you, that I just had to share another one this week!

It looks like this week's comprehension is all about minibeasts! We have lots of minibeast friends in our world. If you are lucky enough to make friends with a butterfly, you can go on some amazing adventures!

There are so many wonderful stories about minibeasts. It really was a tricky decision this week. After a long hard think, I've chosen [this one](#) because I know how much you all loved reading and rewriting 'Rumble In The Jungle' and it's by the same author, Giles Andreae.

I hope you enjoy the story as much as I do!

Keep on reading, Year 1!

Love, your Reading Pixie

xx
