I live here!

Buddy has decided to go to FRANCE!

Before I went to France, I had to
change my money into euros.

I went to Paris which
is the capital city of
France. I saw the Eiffel
Tower...

...and the Arc
de Triomphe.

France is known for its good cuisine. I tried all these delicious French foods. Have you tried any of these?

baguette

croissant

snails

cheese

onion soup

Buddy visited some vineyards. France is famous for its wine and vineyards are where the grapes for wine are grown.

Buddy also went to the Louvre museum. This museum is where the Mona Lisa, one of the most famous paintings in the world, is kept.

The Louvre has more than 30,000 works of art! I didn't have time to see them all!

Buddy saw the Tour de France. This is the world's most famous cycle race. The winner of the Tour de France gets to wear a yellow jersey the next year.
