

# The Maya

Learning Objective:  
To find out where the Maya lived.

NEXT

Do you  
know where  
the Maya  
lived?

BACK

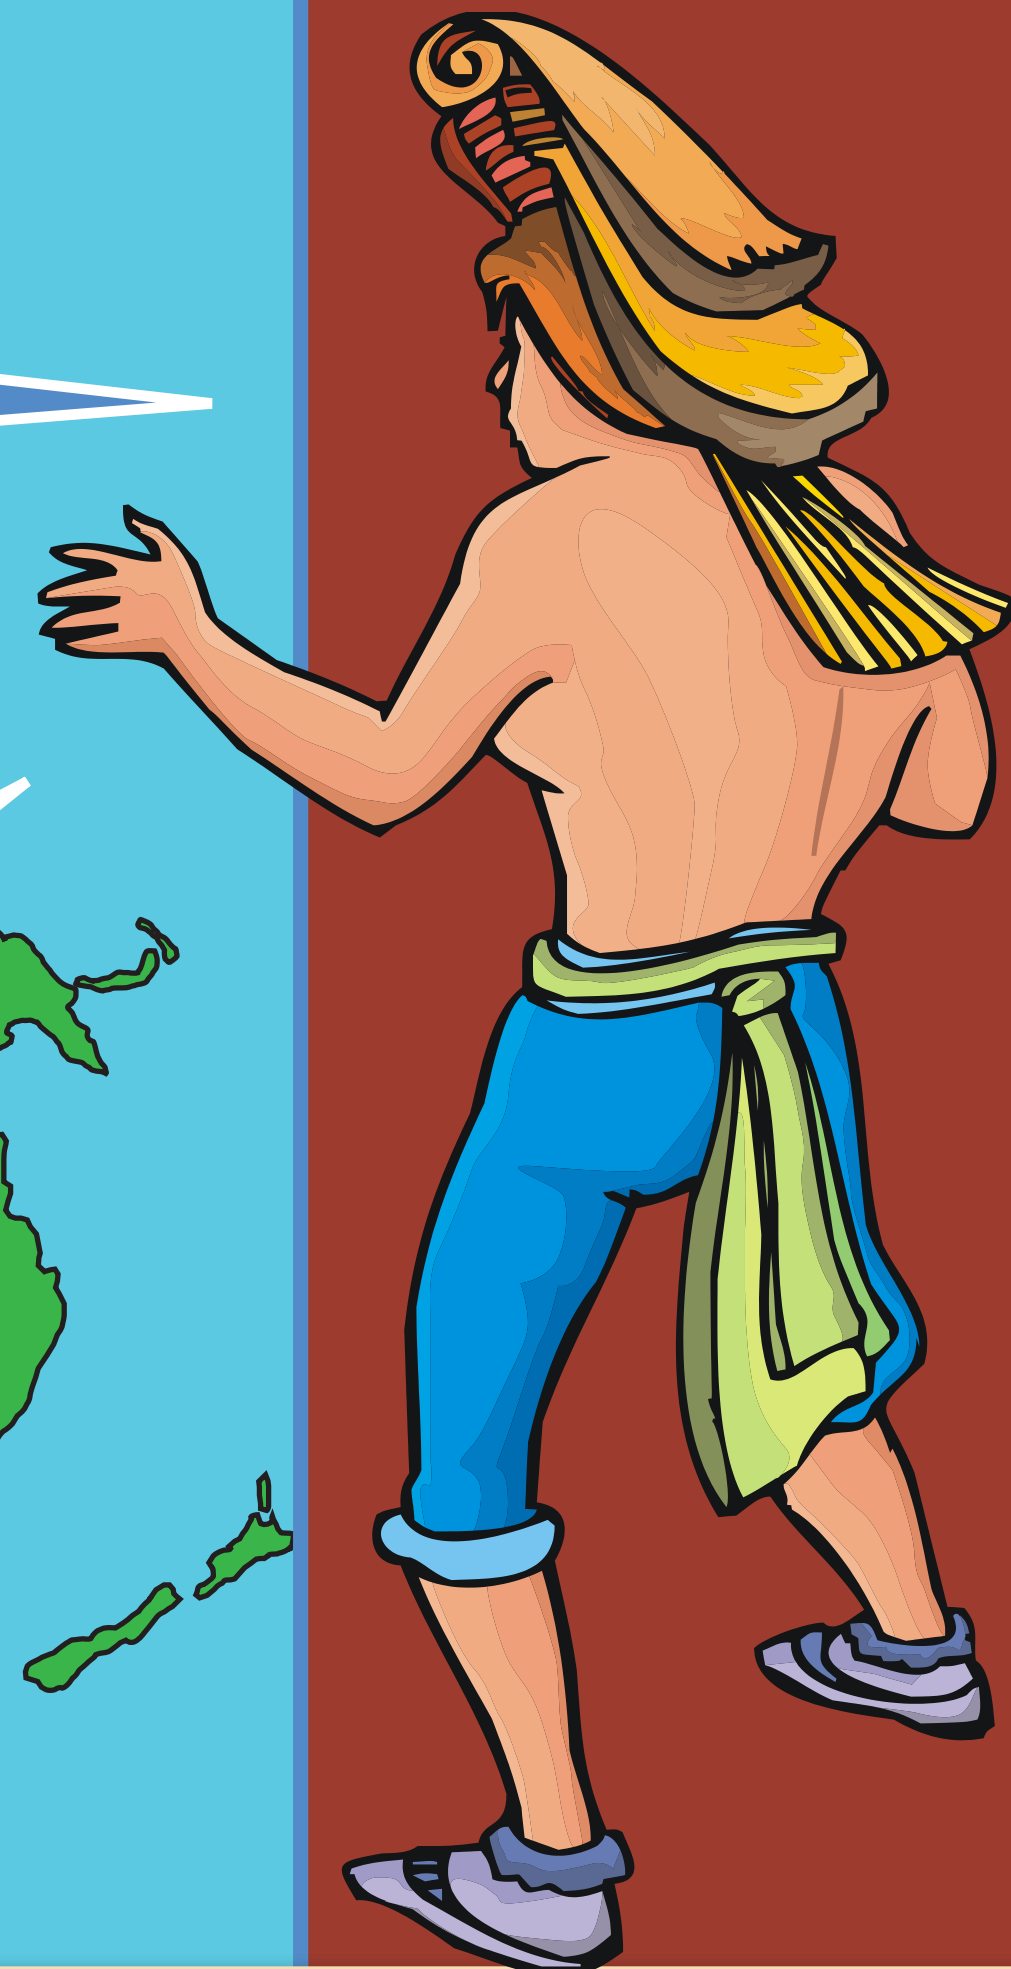

NEXT

The highlighted section shows the area where the Maya lived.

Which  
continent is  
this in?

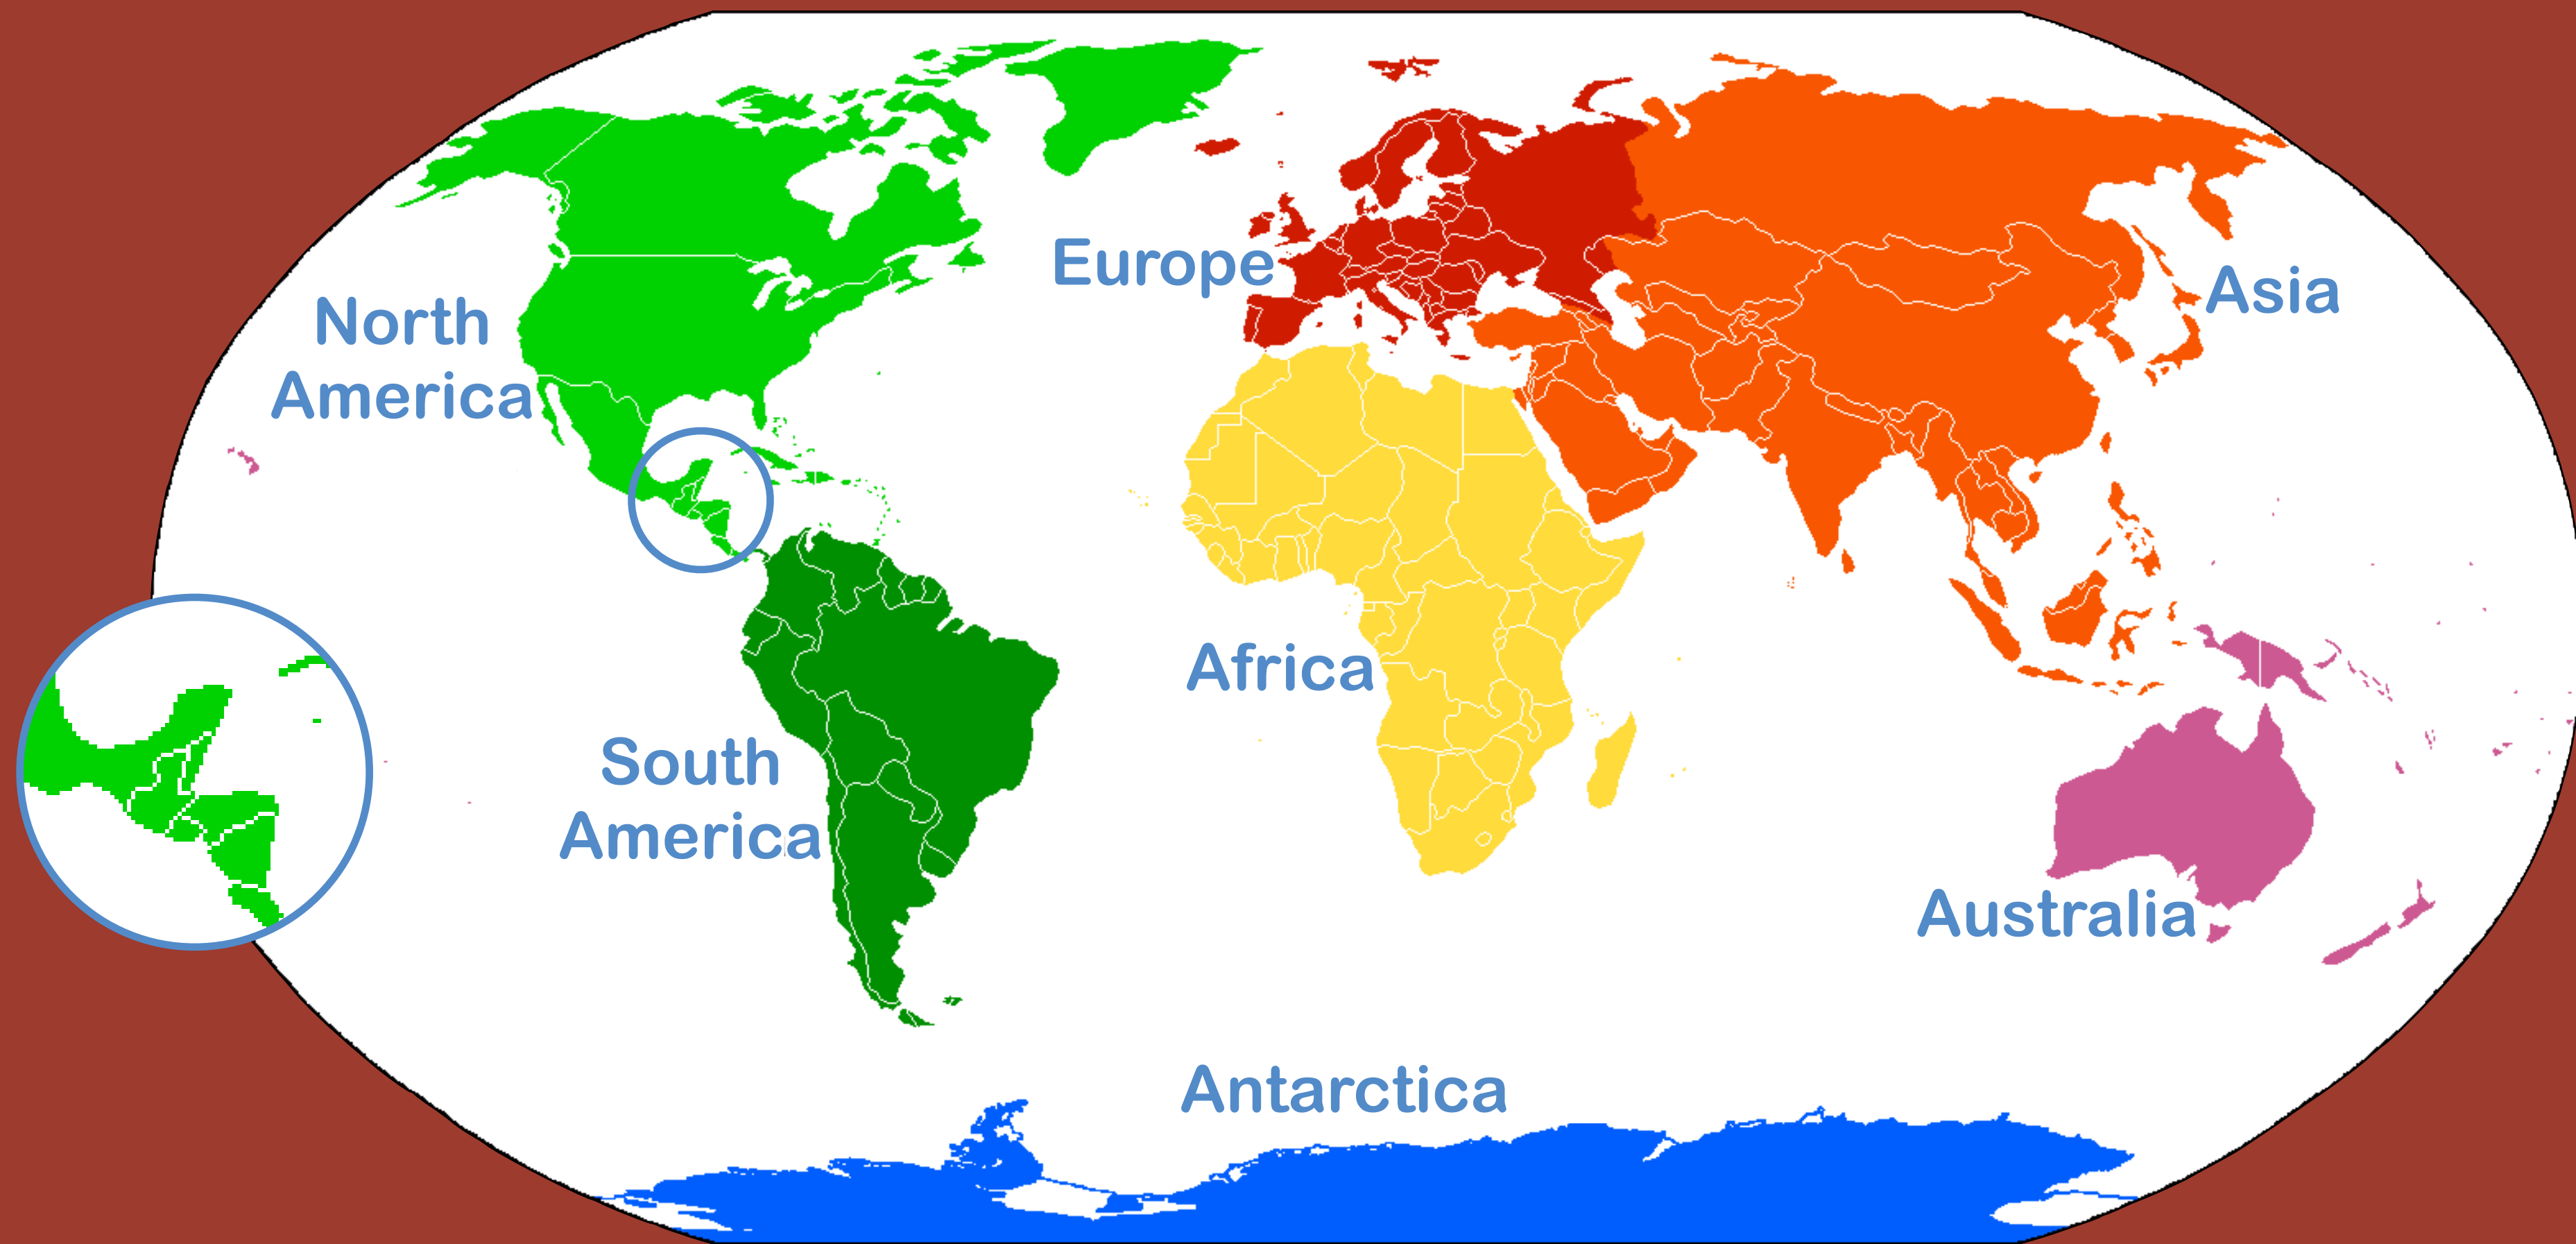

Can  
you name the  
other  
continents?

BACK

NEXT

Maya  
region

The Maya lived in the continent of North America in an area that is often referred to as Central America.

BACK

NEXT

The land the Maya lived in now covers several modern countries.

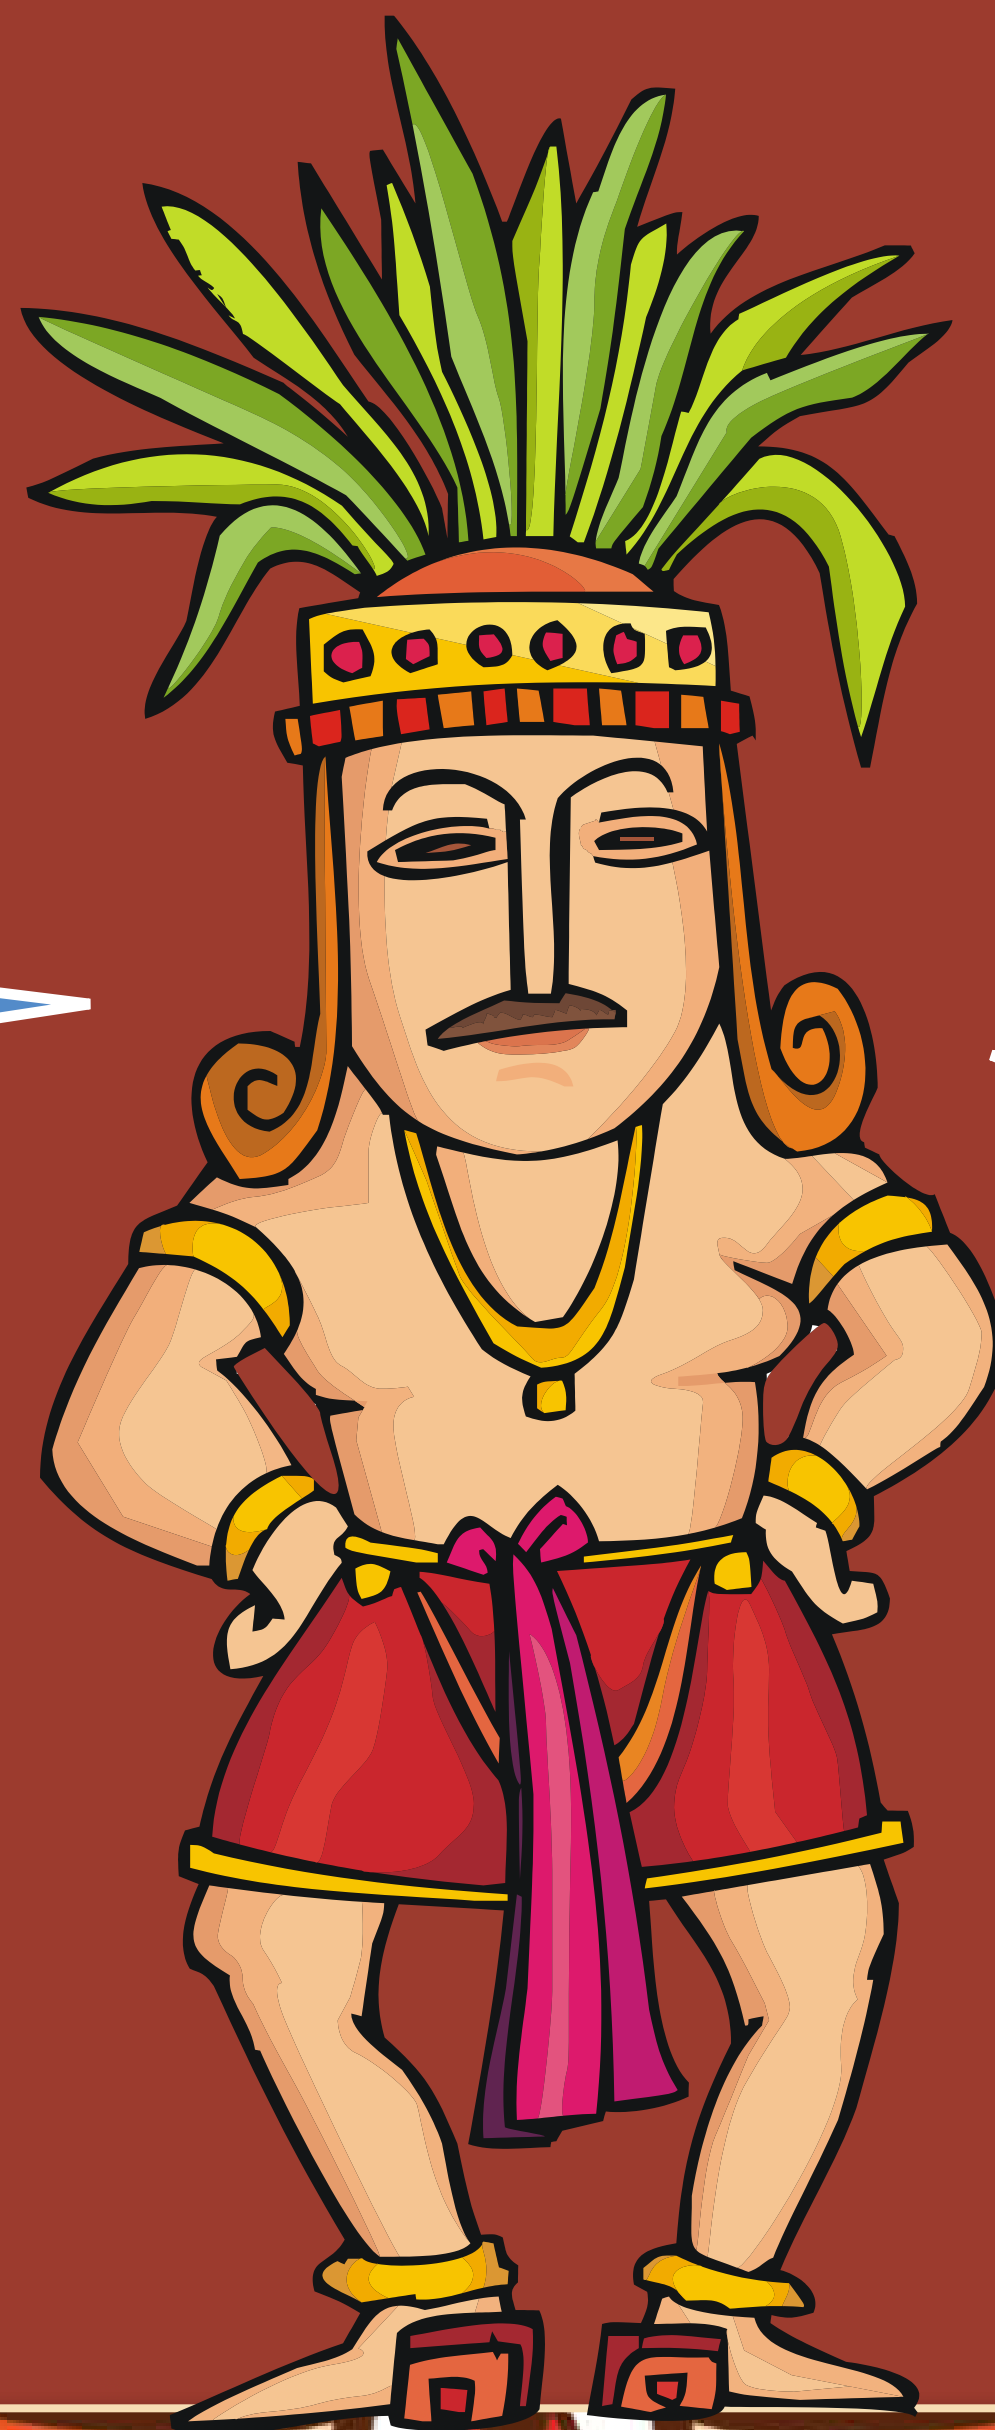

Do you  
know what any  
of these  
countries are  
called?

BACK

NEXT

Your job today is to find out what these countries are called.

How do you think we could do this?

BACK

NEXT

Political maps show countries and cities. They show the boundaries where one country or region ends and another begins. Political maps don't show any features such as mountains or roads.

What can you find out from this map?
