

Hi Year 1!

I am so pleased that I am able to continue sharing my favourite stories with you and I hope that you have enjoyed listening to them with your families!

You may have guessed that I have another fantastic story to share with you!

This week's story can be found [here](#) and, I should warn you, it's a funny one! It is definitely one of my favourites and I know that you will all love it too!

Keep on reading, Year 1!

Love, your Reading Pixie
