

Hello Year 1!

I hope you are all excited to have lots of new home learning tasks to complete with your family.

Like last week, your reading comprehension is about a fable.  
Can you remember what a fable is?

I am so excited to share an extra special treat with you, this week!

If you click [here](#), it will take you to a whole world of fables and you can choose which one you would like to listen to! The best thing is, you don't even have to stop at one story! You can listen to as many as you want... or even ALL of them!

Can you work out the moral of the stories that you listen to?

Missing you all lots and especially missing hearing you read!

Love, your Reading Pixie

xx
