

Greetings Year 1!

I hope all of my favourite storytellers have had another great week, learning lots and making magical memories!

This week, your comprehension is all about a bear, who is looking forward to eating a delicious iced bun. Mmm! This got me thinking about other stories that are about bears and I just had to share [this one](#) with you! It's definitely one of my favourites. Can you work out why?

I hope you enjoy this week's story, Year 1.

Stay safe and keep reading!

Love, your Reading Pixie

xx
