

Hi Year 1!

Oh, how I loved your Zoom story time
last week!

I was so thrilled to be able to be part
of another extra special story time, with my
wonderful Year 1 friends! I was even more excited
to find out it was a farmyard story! You know, some of my
favourite stories of all time are set on a farm!

I just loved the story, 'Pig's Egg'! I'm so pleased Pig
felt happier at the end of the story. Although, I do hope
he realises that pigs don't lay eggs and that caterpillars
certainly aren't baby pigs. Do you know the proper name for
a baby pig? I'm sure you do!

All this talk about farms, got me thinking about another
fantastic farmyard story. There are so many
to choose from, however I've chosen [this one](#),
because I think you will find it very funny, hearing
about the adventure of these rather special
farm animals!

Stay safe and keep reading!

Love, your Reading Pixie
