

Hi Year 1!

I loved sharing another story time with you on Friday. I can't believe what those cheeky farm animals got up to, when their farmer wasn't looking!

I am so excited to join you for next week's story already!

This week, your comprehension is all about a little girl who camps in her back garden. This got me thinking about all the wonderful stories I like to share around the campfire and after a very long think, I decided to choose [this one](#). It reminds me of looking up at the moon when I camp out in the Enchanted Forest.

I hope you enjoy it as much as I do and who knows... you might even be listening to the story in your own tent!

Keep reading and shining like the superstars that you are!

Love, your Reading Pixie

xx
