

At the Farm

Today we will be...

Finding out how life is different on a farm and in a town.

What have we found out so far
about life on a farm?

What ideas did you come up with? Let's make a list...

Life on a farm

This is my friend Simon.

I am going to visit Farmer Phil
on the farm.

Simon lives in a busy town. He has
never to a farm before and he
wants to know how life on a farm
will be different to his life in a
town.

Can you help him?

Will there be lots of busy roads near the farm?

Will there be lots of
shops and supermarkets
near the farm?

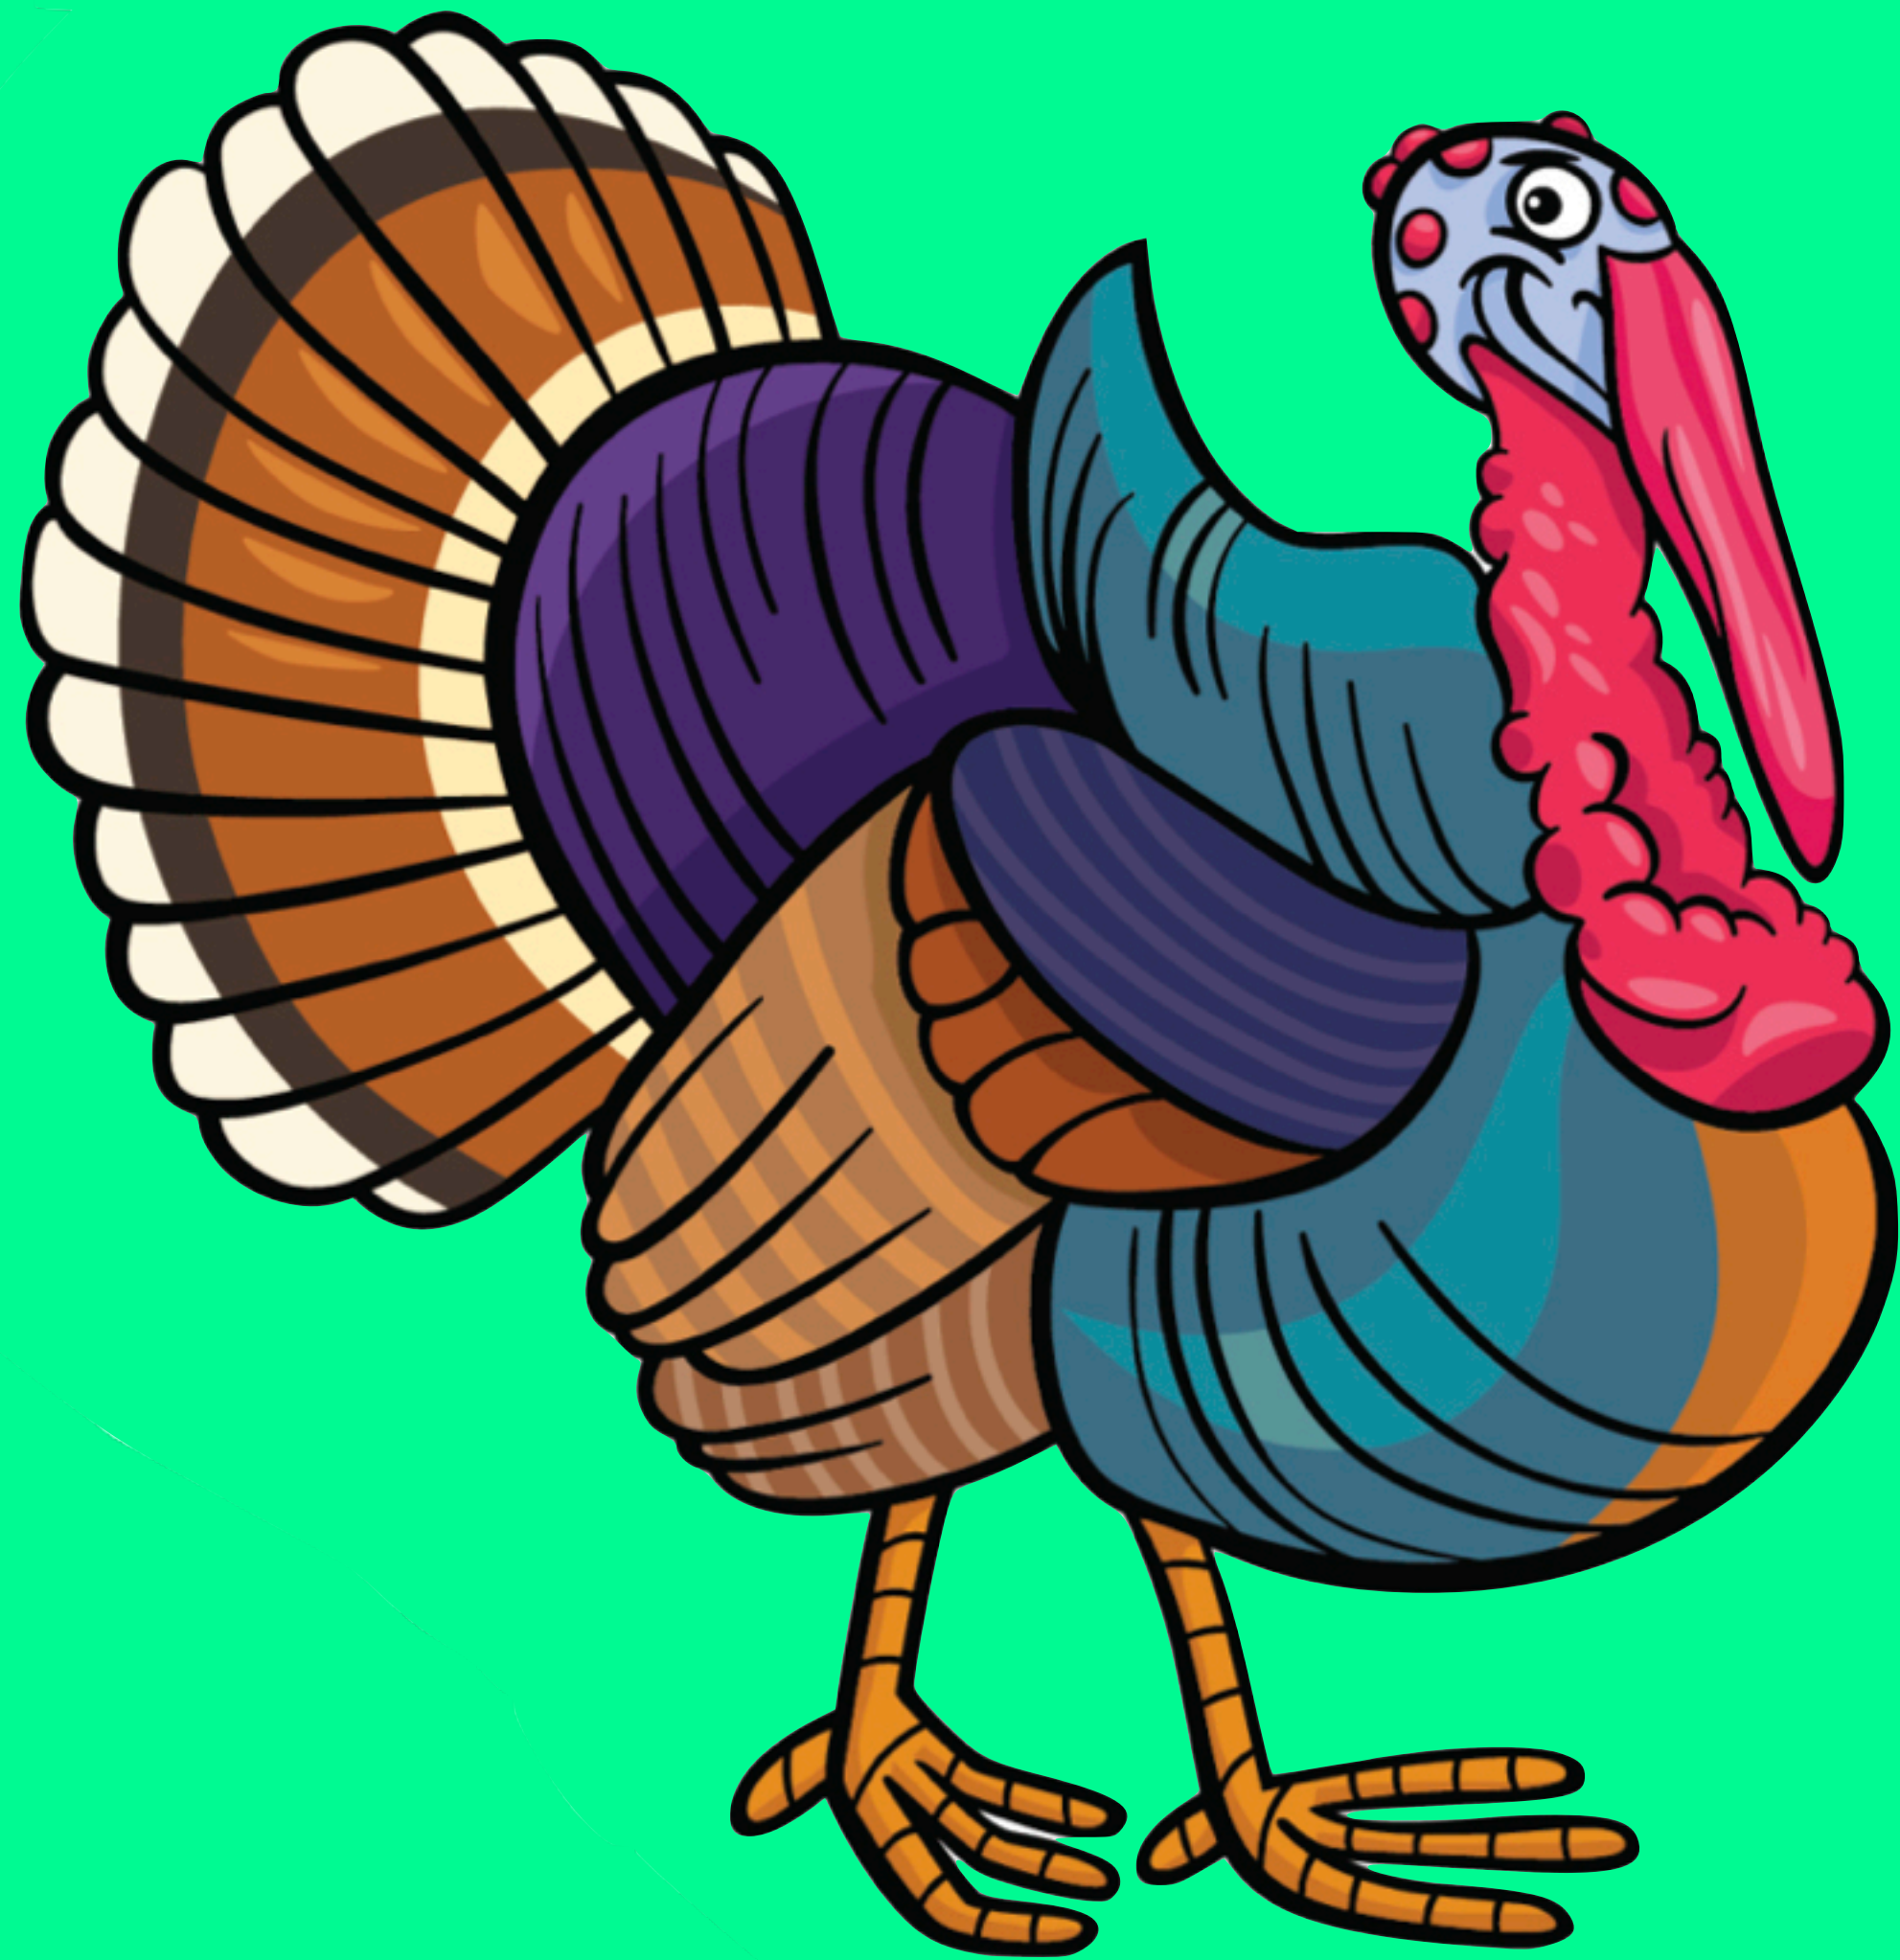

Will there be banks and
post offices near the farm?

What clothes should I
take with me to the farm?

What other differences can you think of between living in a busy town and a quiet farm?
