CHURCH SCHOOL PARTNERSHIP AWARD 2
'MAKING A DIFFERENCE THROUGH CHRISTIAN VALUES'

I am writing on behalf of the Diocesan Board of Education, to inform you of your success in gaining the Diocese's Church and School Partnership Award. This has been agreed by the Board's Executive Committee, and the Award will be presented during the school year. Very many congratulations on this achievement!

The exploration of developing a programme of Christian Values, with Church schools and parishes working closely together, have provided a unique opportunity to build on the wonderful response to the original Church and School Partnership Award. I am aware of how much endeavour, prayer and reflection has contributed to promoting a clear and uncompromising vision of the ways in which Christian Values can impact on shaping the lives of the children in school and also in the lives of the people in the wider parish community.

The report presented by the Diocesan Adviser contained many impressive and creative ways in which Trinity St Peter's, Holy Trinity and St Peter's have worked so hard together to explore, nurture and live out a set of core values both in school and in the community.

Please would you pass on my sincere congratulations and thanks to your governors and staff? I have written in the same way to Revds Anne Taylor and Mark Stanford and asked that these sentiments be shared with the PCC and congregation.

A member of the Education Department will make contact with you shortly to arrange a suitable date and time so that your Archdeacon can formally present the Award.

With my blessings and prayers,

David Thorpe

Christian Distinctiveness
