+This includes any "looked after child", "previously looked after children" and any child who was previously looked after but immediately after being looked after became subject to an adoption, residence or special guardianship order. 'Looked after' means that the child was (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions.

This criteria also includes looked after children and all previously looked after children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted.

(+ Added by DfE "The admission into school of children previously in state care outside of England – August 2018")

++ Twins, multiple births -Where there are twins, triplets wanting admission and there is only a single place left within the admission number, then the governing body will exercise as much flexibility as possible within the requirements of infant class sizes. In exceptional circumstances we are now able to offer places for both twins and all triplets, even when this means breaching infant class size limits

(++ Added by the revised School Admissions Code 2012)

NURSERY: Please note that attendance at the school Nursery forms no part of the above admissions process. The Nursery has its own criteria as it is not legally regarded as part of the formal education process which starts with admission into reception. Admission to the School Reception class is open to all children irrespective of whether or not they have attended the school nursery.
